

THE G.A.S.P. GAZETTE

Volume: 18 Editor: Now A Three-Time Winner May, 2004

Back To Golf In 2004!

Well, the crack organizational team for the 11th Edition of our fine tournament are hard at work sorting out the fine points for another outstanding

event, although Lyle can't help but get in the middle of all the planning with concerns about his cat and shit-hawks. But the details are in place, so here's what we can tell you.

The Course

The course in Blairmore, just to the north of highway as you come into Blairmore from the east, might not be much to look at from the highway, but after a mere two holes you are in the mountains, and level ground will become a tough thing to find. Every hole has some slope to it, but the surroundings make it a thing of beauty. Costs are reasonable (<\$60 for

your round and cart), carts have been reserved (believe me, walking won't be an option here), and be sure to bring some extra golf balls!

The Players

The following is a list of those golfers who have committed to attending the GASP in 2004.

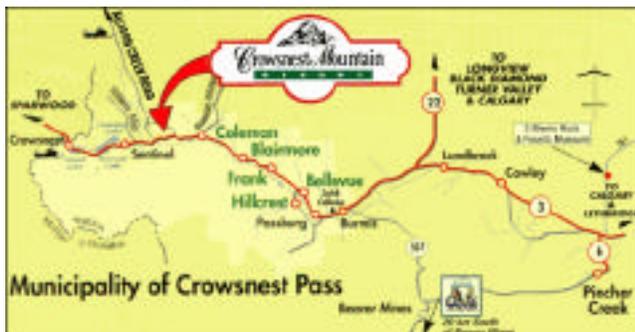

Joe	John	Brad	Jack
Lyle	Dave	Jim	Doug
Mark	Gary	Al	Alvin
Ron	Roger	Robert	Darcy

As you can see, with 16 players we will field four teams with four players each. The captains, determined by your esteemed "Freedom-45" leaders, are Joe, Lyle, Jack, and Doug. But who knows, things can change, and we are open to bribes!

The Campground

Campsites were a difficult thing to find in the Crowsnest Pass, even though campgrounds seem to abound. The best that I first found was the Crowsnest Mountain Resort, although it has only two RV sites available (the rest are booked for the entire season). Both sites, and some cabins were reserved; however, on May 17th I found out that they have no washrooms, nor do they encourage camping in tents due to a bear problem. This certainly didn't seem to fit with our normal camping requirements, so the search was on again. When all other campgrounds failed to meet our needs, a conversation with Joe and Lyle determined that we go back to Sparwood.

Sparwood is about a 25 minute drive to the golf course, but we know what the campground has to offer, and a conversation with the manager (“crazy” Doug if you recall) showed he was happy to accommodate us. Therefore, for those who don’t mind the extra travel before and after the round, we will be staying in the same campground as we did a few years ago. Sites 34, 35, 36, 37, and 38 are reserved for us (we had sites 36, 37, 38, and 51 last time), beginning on June 24. If you wish to stay longer, either before or after, just give Doug a call at the number on the previous page, let him know you’re with the GASP Golf tournament, and he’ll take care of your camping needs.

For those who haven’t been to the campground before, you will locate the facility on the east side of the #3 highway, just south of the Sparwood golf course. And as a reminder, the electrical outlets are 240 V, so you’ll need your 240 120 V adapters. All sites are equipped with power and water (and sewer if you need it), and the showers were free when we were last there. Volume 15 (on the web) of the Gazette has other information on the campground if you need more details (or hunt around on the web).

Doug, John, Alvin, Mark	345

What else happened last year? My brain must have froze, so send me your favorite moments from 2003!

Fine Dining With Lyle

Ever find yourself over at Lyle’s looking for food, or have him offer you any? Now you can eat at home just like he does by using his famous bar-b-que sauce. You will have to save your condiments from a fast food meal or two, or better still, hang around the concession stands at a Tiger hockey game. Not only can you visit with the chef himself, but you can pick up the necessary ingredients for a taste you’re not soon to forget. Clip-and-save for future reference!

Lyle’s Trailer Park Style BBQ Sauce

Ingredients:

- 5-6 packets ketchup
- 2-3 packets hot sauce
- 1 packet soy sauce
- 1 packet of mustard
- 1 packet of sugar
- 1 packet of salt
- 1 packet of pepper

Directions: Mix all ingredients together and let stand for approximately 15 minutes or longer. Baste meat with sauce, or serve as a dip.
